

Guidelines

Alongside general help for application forms, the Cancer Research Trust NZ's help resource includes specific guidelines for your John Gavin Postdoctoral Fellowship application.

If neither of these links provides the information you need, please use the contact form at the bottom of this page to send your question to the Cancer Research Trust NZ's General Manager.

A. Overview

1. Project title *

Maximum 30 words

2. Present position *

7. Letter of support *

The letter of support should include comment on the facilities and the mentoring available for the applicant in relation to the research goals of the applicant. Note particularly that the Postdoctoral Fellowship funds salary only. The host institution must be able to support the research (equipment, consumables, travel costs, animals etc.) and have a clearly defined strategy for obtaining any additional funding necessary to carry out the research project; these should be briefly outlined. The letter should also comment on the suitability of the applicant for a postdoctoral position within the department.
